IMPLEMENTATION PLAN SUMMARY FOR AT FINDINGS

Department: Fashion Design

Program: B.Des. Fashion Design

Sr. No.	AT Findings	Corrective Action	Timeline	Responsible Body	Resources Needed
1.	E-books, audio and visual material required in Library	We have an access of Digital Library, faculty / students can be facilitated through this subscription and we have a database of other relevant e-books. Alongside faculty may explore other required audio / visual material as per their need and submit to the course coordinator who processed Library committee. It will be processed through PIFD Library committee.	As and when needed	Librarian / Library Committee	As per Institute funding. In case of purchase, e-books will be sourced from library budget, institutes/HEC funding.
2.	More PhD faculty is required.	One faculty member has already enrolled PhD in Fashion Design in Italy and expectedly will complete her degree by June / July 2023.	24 – 36 months	Faculty Members, Registrar, As per PIFD study leave policy	Self-Initiated by faculty
